Kindergarten

My name is Sasha Meyer and this is my 4th year teaching at West Powellhurst. I'm originally from Arcadia, California, but moved up to Oregon to attend Linfield College for my teaching degree. I live with my husband (Joe) and our two cats (Ollie and Momo). In my free time I love reading, traveling, trying new foods, and making music (violin, French horn, and ukulele). One thing I love about kindergarteners is their humor, and their excitement to come to school each day. I can't wait for the memories that this school year will bring!

Hello! I'm Kami Richardson and this is my 14th year teaching here at West Powellhurst. I have had the pleasure of teaching 4th, Kindergarten, 1st grade and now 2nd grade. I chose to move around and get a wide variety of experience, and I'm so glad I did. I feel very comfortable at all elementary grade levels, and I understand the flow of knowledge from one grade up to the next. I love being a teacher because I get to see the "light bulbs" go on, their little faces light up with pride and excitement, and then awe and wonder as they become more curious about the world around them! GO WILDCATS!

3rd Grade

Hello West Powellhurst families and welcome to the ROARing twenties with the Wildcats! I am excited to be in the midst of my 13th year of teaching in the David Douglas School District and my 12th year here, at West Powellhurst, as a third grade teacher. However, I have already been a member of the David Douglas community for over 30 years, as I attended Gilbert Park Elementary School, Alice Ott Middle School and David Douglas High School, as a student, graduating in 2000! Teaching is an exciting profession because no two days are exactly the same! The students' passion & enthusiasm for learning, their hobbies and each other brightens my day! Outside of school, I enjoy spending time with my daughter, paper crafting & card making, when I have the time. As always, thank you for supporting our students, classroom and school.

	<p><u>Mr. Unverferth</u> Room 15 3rd Grade</p>	<p>John Unverferth was raised beneath the roar of jet engines in beautiful Parkrose. He continues to reside there, working the land to provide tomatoes and zucchini for his family of four. Some argue his greatest accomplishment in life was learning to spell his last name before entering kindergarten, while others say it was winning a coloring contest at the age of six with two broken wrists. He considers a great weekend to be one that includes sleeping past 8:00 and two trips to the Olive Garden. Exit polls indicate he is a lock to win “Favorite Male 3rd Grade Teacher at West Powellhurst” this year. If you happen to find yourself at West Powellhurst stop by room 15 to tell him hello.</p>
	<p><u>Mr. Buckner</u> Room 9 4th Grade</p>	<p>Hey Wildcats, My name is Rob Buckner I started teaching at West Powellhurst in 1998.
